

BAG BUTTERFLIES

Materials

- Colored construction paper, confetti, cellophane or tissue paper
- Sandwich-sized zippered plastic bags
- Black pipe cleaners

DIRECTIONS

Make a beautiful butterfly using a simple plastic sandwich bag.

1. Fill a zippered plastic bag with shreds of colored construction paper, confetti, cellophane, or shreds of tissue paper. If you are
2. Seal the bag after squeezing out most of the air. Fold the zippered portion of the bag to the back of your butterfly.
3. Wrap a black pipe cleaner around the middle of your bag and twist it at the top. Shape the ends of the pipe cleaner to make them look like a butterfly's antennae.
